# CONCRETE COLLECTION

CEMENT 8425

Cement, by the STUDIO Collection®, is a stand out in the concrete-influenced palette by Aristech Surfaces LLC. Cement is a depth filled, neutral design resin which compliments any environment.

Avonite Surfaces® offers a full range of concrete-inspired colors, to compliment any taste and space. Venturing from cool tones to warm neutrals, this family will add a natural texture, but rugged concrete feel. Avonite Surfaces® palette colors are available in the **RIGHT SIZE™** or **CUSTOM Programs** with widths up to 60in., lengths up to 204in. and thickness offered from 19 mm, down to 3mm.

## Standard SHEET SIZE

30 in. x 144 in. x 12 mm.

36 in. x 120 in. x 12 mm. *(Cement 8425 only)*
