

HI-MACS[®]

Natural Acrylic Stone[™]

THE NEW GENERATION.
Inspired by Architecture.

Sinks and Bowls

Limitless Creativity

Poggenpohl

 **LG Hausys**

HI-MACS® Natural Acrylic Stone is the Solid Surface material of the 'New Generation'. It is an intelligent composition of acrylic, natural minerals and pigments that come together to provide a smooth, non porous and visually seamless surface which meets the highest standards for aesthetics, functionality and hygiene.

HI-MACS® is hard-wearing, tactile, easy to look after and with the right care will still look astonishingly new in years to come.

Thanks to its modern processing technology HI-MACS® has:

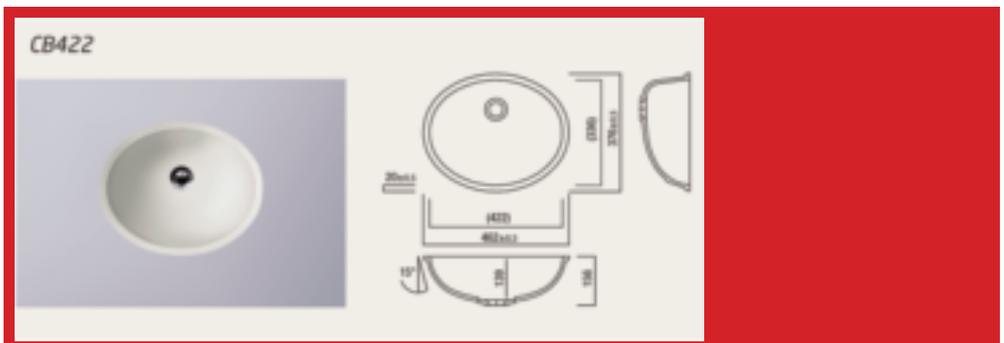

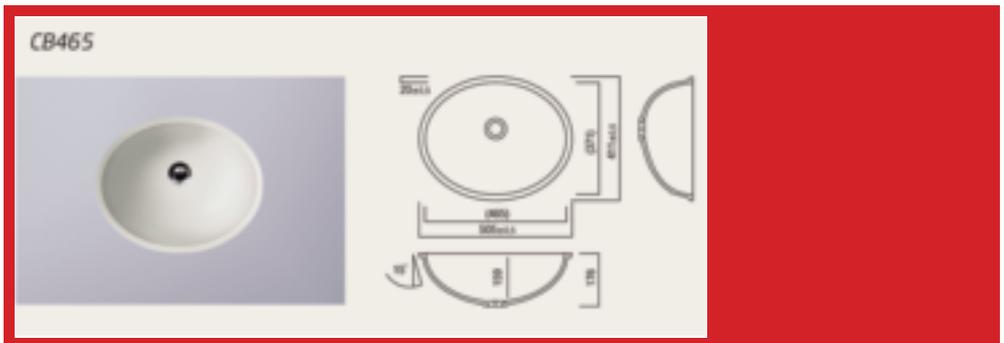

- improved heat resistance
- improved impact strength
- enhanced scratch resistance
- better UV resistance
- a more homogeneous quality

Cast Bowls

Every option is available to creative designers to design stylish washrooms and kitchens with our wide range of HI-MACS® sinks and bowls. Perfectly coordinated and ideal for mixing and matching, the bowls and sinks guarantee a modern look that is easy and simple to look after.

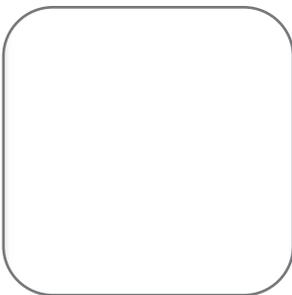

HI-MACS® Bowls

They are manufactured using a casting process and are ideally suited for both flush mounting and under mounting into a bathroom vanity top.

HI-MACS® bowls are available in Alpine White S28 and Nougat Cream S201 only.

Warranty 10 + 5 years on all precast HI-MACS® bowls and sinks.

**Alpine White
S 28**

**Nougat Cream
S 201**

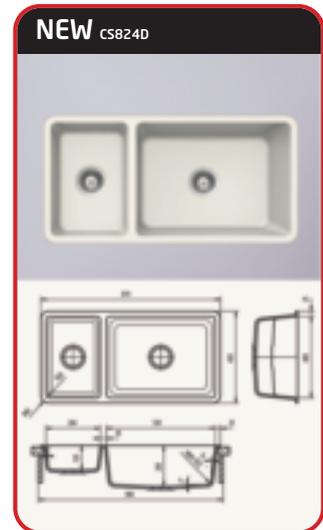

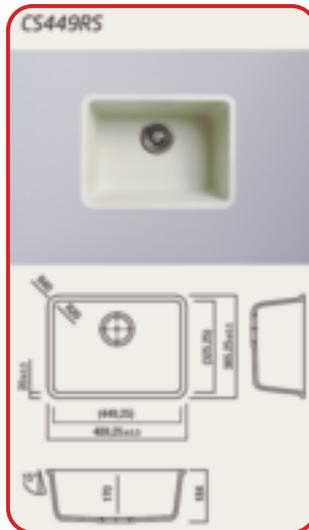

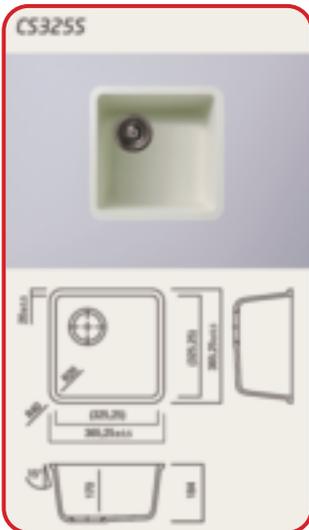

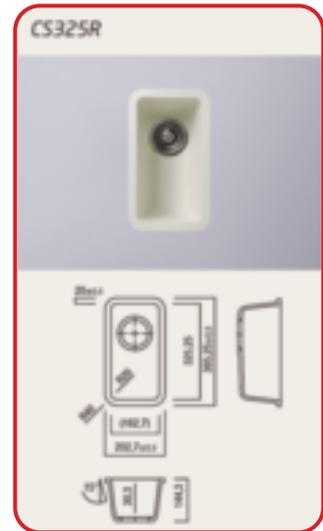

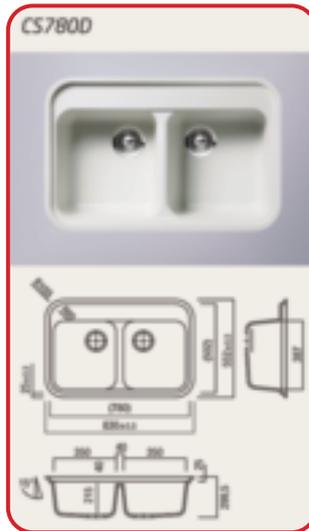

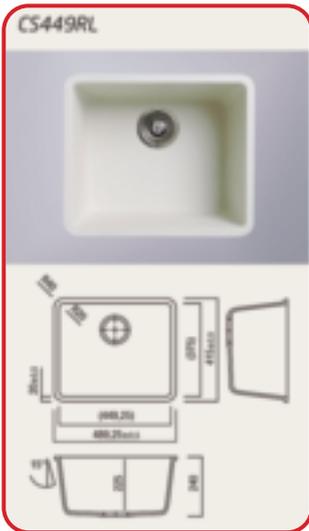

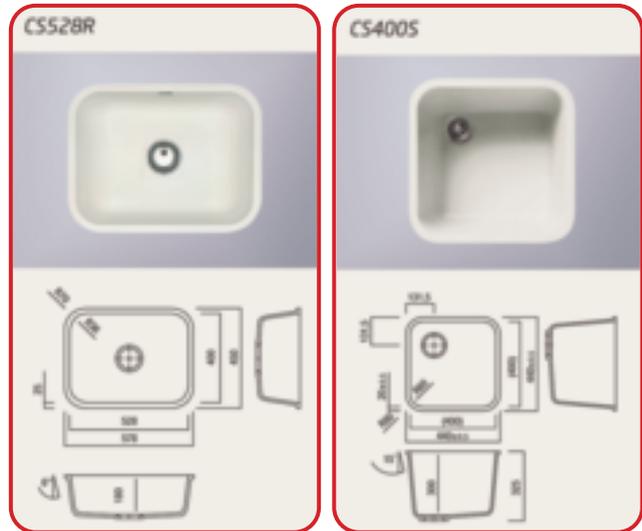

It is advised that when pouring boiling liquids into HI-MACS® sinks and bowls, cold water should be poured in at the same time.

Cast Sinks

HI-MACS® Cast Sinks

HI-MACS® sinks are produced using a high-quality casting technique. No matter which product you choose from our extensive, eminently combinable selection, all sinks can be flush-mounted into the countertop or installed below the surface.

HI-MACS® sinks are available in Alpine White S28 and Nougat Cream S201 only.

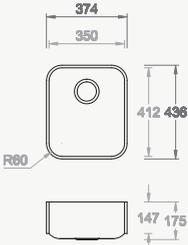

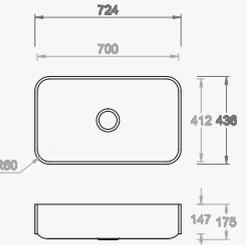

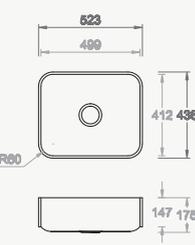

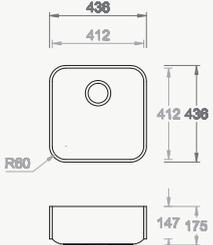

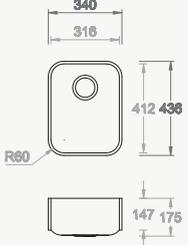

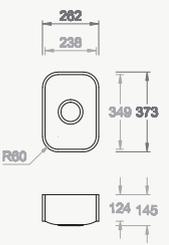

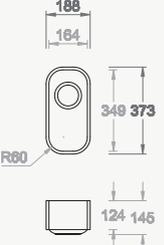

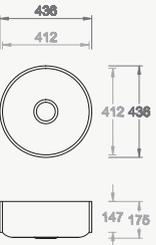

Stainless Steel Based Sinks utilising HI-MACS®

HI-MACS® has found the perfect synergy for hardwearing sinks - stainless steel. The HI-MACS® sided sinks are smooth, aesthetic, non porous and available in a multitude of colours to compliment any worktop. They are married to stainless steel, giving a highly robust and durable base that can withstand the rigours of a typical working kitchen.

All Combina sinks are available in the colours (except Bologna and Torino) from the residential colour range.

Warranty Peace of mind comes with the fact that these sinks come with a 10 year limited warranty.

Stainless Steel Based Sinks utilising HI-MACS®

The sinks when under mounted, will seamlessly integrate in to your HI-MACS® worktop. Because the join between the worktop and sink is seamless you do not get water ingress and as such there is no hiding place for bacteria. With a wide range of colours, shapes and sizes available you can be sure to find your perfect solution.

All Combina sinks are available in the colours (except Bologna and Torino) from the residential colour range.

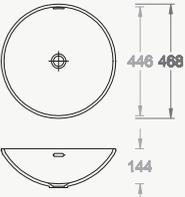

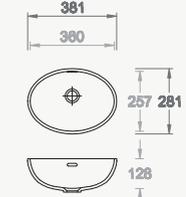

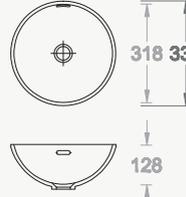

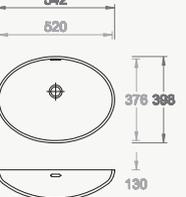

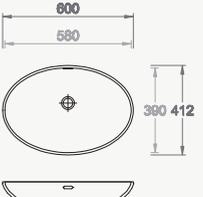

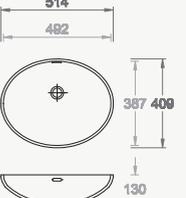

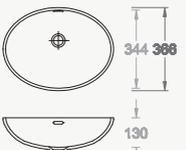

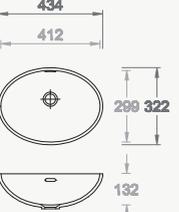

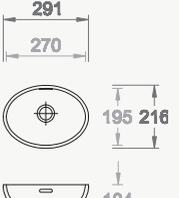

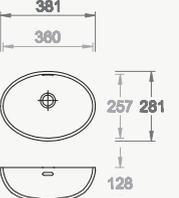

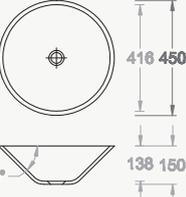

Warranty Peace of mind comes with the fact that these sinks come with a 10 year limited warranty.
